What's good about work?

CHRISM Conference & AGM July 19th – 21st 2019

What's good about work? We shall be looking at what you do day by day - and how you understand this as your ministry. Come and explore the work you do day-by-day in the company of colleagues with the same objectives, relate it to theological ideas and see what it says about good work – and ministry in secular employment. Please come and join us!!

Saint Columba's House is an urban contemporary Christian retreat and conference centre just 30 minutes by train from the heart of London and a mile from the centre of Woking. Newly refurbished and with en-suite facilities, Saint Columba's House is the venue for the Summer 2019 CHRISM conference.

As always, our conference will include visits to places of work in the neighbourhood. Woking is a thriving centre which came into real existence with the coming of the railways. Nearby Guildford is the county's market town. It includes the Surrey Research Park, a major centre of excellence in technology, science, health and engineering which is widely regarded as the best science park of its kind in the UK.

Join us – to find out what is good about the work we do.

Cost, from dinner on Friday evening to lunch on Sunday, inclusive:
£190 (members); £195 (non-members). Please ask CHRISM for a receipt, if required
Ask your church for a grant to cover all or part of the cost – apply now to get their support!

Please return this slip by 15th June 2019.
